

Greetings and Welcome Back

A Big “Hi” to all our NARFE Chapter 256 Members. I hope you are doing well and that the fall weather changes bring you encouragement to return to our Chapter 256 monthly meetings. Our July summer picnic had 41 members and guests and it was great to see all of you again after the year and a half hiatus. At our recent September Chapter meeting, we had a presentation on the Forest Service’s Cameron Pass Nordic Trail system and the impact of the Cameron Peak 2020 wildfires on the terrain. Program Chair, Carol Kruse, has other interesting programs lined up for the rest of the year and beyond. We hope you will be able to attend with us and enjoy the presentations, information and camaraderie that our luncheon programs offer. We meet at 11:30 AM on the third Monday of the month at the Elks Lodge at Mulberry and Link Lane. Here are the upcoming dates for the rest of 2021: October 18; November 15; and December 20. Details on the specific program will get emailed or by your monthly phone call, and posted on the website: <https://narfe256.com>

Welcome New Members

I also want to welcome our new members who transferred to us from the Greeley Chapter, and a few other new Chapter members. Come and join us to meet them. If you plan to come, please make your reservation with Lee Ayer when she sends out the head count notice in early October. We look forward to seeing you in person.

Monthly Lunch RSVP's

RSVP's for the lunch are important so that the Elks can prepare the proper amount of food. But with this responsibility, you can cancel your reservation by the Thursday before the monthly lunch by contacting us. If not and you are a "no show" at the lunch, you are responsible for paying the Chapter the full cost of the lunch. The chapter for now is subsidizing the lunches for everyone that attends which is keeping the individual cost of lunch at \$10.00.

Fall NARFE Recruitment

We are now in the annual NARFE fall recruitment program and Membership Drive. For each new member you recruit to join NARFE, you will receive a \$10. credit from NARFE. Just reach out to those individuals that you know or meet; and make sure you give them our Chapter 256 and your personal membership number so that you can receive credit. Applications are in each month's NARFE Magazine, is also available on our website or at NARFE. If they join by phone or direct on-line just have them use your personal membership number as the recruiter.

Thanks,

Henry
